You are invited to a docent led, private tour celebrating the life, political career and extraordinary vision of one of the country's most admired presidents. No single politician was photographed more than JFK. American Visionary captures the dramatic scope of Kennedy's life through the presentation of over 70 photographs and is one of the most exhaustively researched collections of photos ever assembled

In addition, your tour admission includes entry to all current Bowers exhibitions including the special exhibitions "Endurance: the Antarctic Legacy of Sir Edward Shackleton and Frank Hurley" and "First Americans: Tribal Art from North America."
