VOLUNTEER OPPORTUNITIES

UCI Retirees Association

Seeking volunteers to assist with the review of this year's scholarship applications. This Legacy Scholarship awards funds to one new student and one new freshman student. We receive the applications around June 1 and have one month to complete the review process. The applications are reviewed and scored online. Volunteers should have access to a computer and some familiarity with Google Docs.

Please contact Cindy Fern, Legacy Scholarship Chair, cbfern@gmail.com, if you are interested or have any questions.

WE NEED YOUR HELP!

2020 Anti-Cancer Challenge Team

Most of us know someone touched by cancer.

One person's donation to end cancer may not seem like much; **HOWEVER, if each UCI Retiree gives just \$10, we would be able to collectively give over \$55,000** to fight cancer and make one of THE largest impacts of any group at UCI for this year's Anti-Cancer Challenge. One hundred percent of funds raised go directly to cancer research at the UCI Chao Family Comprehensive Cancer Center!

Join us **June 6, 2020** at Aldrich Park on the UCI Campus as a walker, runner, cyclist, challenge-day volunteer, or as a virtual participant who raises funds for the cause. For more information, search for the "UCI Retirees and Friends Team" here:

<http://www.anti-cancerchallenge.org/>

Direct link to team page:

http://www.anti-cancerchallenge.org/site/TR/Anti-CancerChallenge/General?team_id=2284&pg=team&fr_id=1090

Bonus: The first 25 who sign up to Walk, Run, Ride, be a Virtual participant, or pledge a donation, will be in the running for a UCI branded hooded sweatshirt (winners selected by a random electronic program).

Thank you for joining us in our fight to end cancer!
