WHY ARE WE ASKING YOU TO TAKE A SURVEY?!?

Why participate?

Your feedback will help advocate for policies, benefits and activities that affect UC retirees. It will ask for your achievements as volunteers, advocates, ambassadors, professionals, caregivers, artists, and more.

How will the data be used?

Your responses will be anonymous. The data will be used to create a report for key administrators in the President's Office and at each campus and laboratory. The 2016 report is an excellent example: <http://cucra.ucsd.edu/survey/>
