# TOUR REGISTRATION NOW OPEN!

Led by a knowledgeable docent, enter a world of fantasy featuring over 40 works of couture art, personally selected for exhibition by Guo Pei. Reviewing the canon of her creative genius, she has selected a carefully curated presentation of her finest and most personal pieces. In doing so, she presents a creative journey that charts her rise as China's 'Queen of Couture.' Each gown not only underscores her unique ability to tap into China's rich cultural heritage, but also also to incorporate an array of cultural influences from international arts, architecture, and mythology.
